

Professional Indemnity Proposal Form

CONSULTANTS

Important Information for the Applicant

Please read the following information before completing this Proposal

Your Duty of Disclosure

Before you enter into a contract of general insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984, to disclose to the insurer every matter that you may be aware of, or could reasonably be expected to be aware of, that is relevant to the insurers decision about insuring you and if so, on what terms.

You have the same duty to disclose these matters to us before you renew, extend, vary or reinstate a contract of insurance.

Your duty however does not require disclosure of a matter: -

- that diminishes the risk to be undertaken by the insurer;
 - that is common knowledge
 - that the insurer knows, or in the ordinary course of business as an insurer, ought to know;
 - as to which the duty is waived by the insurer.
-

Non-Disclosure

If you fail to comply with your duty of disclosure, the insurer may be entitled to reduce their liability under the contract in respect of a claim or may cancel the contract. If your non-disclosure is fraudulent, the insurer may also have the option of avoiding the contract from the beginning.

It is therefore vital that you enquire of all entities comprising the insured, including senior staff, before completing the proposal form and before you sign any declaration confirming no change in the information disclosed.

Claims Made Policy

This proposal form is for Professional Indemnity Insurance which is a "Claims Made" policy. This means the policy covers you for claims made against you and notified to the insurer during the period of insurance.

It does not provide cover in relation to:

- events which occurred prior to the policy's retroactive date, if any, specified in the schedule;
- claims made, threatened or intimated before the period of insurance commenced;
- claims arising from factors or circumstances of which you first became aware before the commencement of the policy and which you knew or ought to have known, had the potential to give rise to a claim under the policy or any previous policy;
- claims arising from circumstances noted on the proposal form or any previous proposal form.
- Subject to what is said in the next paragraph, claims made after the period of insurance expires even where the event giving rise to the claim occurred during the period of insurance.

However, where you give notice, pursuant to Section 40 (3) of the Insurance Contracts Act, to the Insurer of facts that might give rise to a claim against you prior to the expiry of the period of insurance, the policy will, subject to its terms and conditions, cover you notwithstanding that a claim is only made after the expiry of the period of insurance.

Average Provision

The insurer provides that if a payment in excess of the limit of indemnity available under the policy has to be made to dispose of the claim, the liability of the Insurer for costs and expenses incurred with its consent shall be such proportion thereof as the amount of indemnity available under the policy bears to the amount paid to dispose of the claim.

Surrender of Waiver of any Right of Contribution or Indemnity.

Where another person or company would be liable to compensate you for any loss or damage otherwise covered by this policy, but you have agreed with that person or company either before or after the loss or damage occurred that you would not seek to recover any loss or damage from that person or company, the Insurer will not cover you under the policy or such loss or damage unless agreement of the Insurer was obtained beforehand.
